

House File 2529 - Introduced

HOUSE FILE 2529

BY COMMITTEE ON APPROPRIATIONS

(SUCCESSOR TO HF 2157)

(SUCCESSOR TO HSB 532)

A BILL FOR

1 An Act relating to a state-funded psychiatry residency program
2 at various state institutions, creating a program fund, and
3 making appropriations.

4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 135.180 **State-funded psychiatry**
2 **residency program — fund — appropriations.**

3 1. The university of Iowa hospitals and clinics shall
4 administer a state-funded psychiatry residency program
5 in cooperation with the state mental health institutes at
6 Independence and Cherokee, the state resource centers at
7 Glenwood and Woodward, the state training school at Eldora,
8 and the Iowa medical and classification center at Oakdale.
9 The university of Iowa hospitals and clinics shall expand the
10 psychiatry residency program to provide additional residency
11 positions by providing financial support for residency
12 positions which are in excess of the federal residency cap
13 established by the federal Balanced Budget Act of 1997, Pub. L.
14 No. 105-33. Participating residents shall complete a portion
15 of their psychiatry training at one of the state mental health
16 institutes, the state resource centers, the state training
17 school, or the Iowa medical and classification center at
18 Oakdale. For accreditation-required clinical experiences not
19 available at the state mental health institutes, the state
20 resource centers, the state training school, or the Iowa
21 medical and classification center at Oakdale, the psychiatry
22 residency program and its residents may utilize clinical
23 rotations at the university of Iowa hospitals and clinics and
24 its affiliates across the state.

25 2. The residency program shall provide for the awarding
26 of twelve residency positions for each class of residents.
27 Preference in the awarding of residency positions shall
28 be given to candidates who are residents of Iowa, attended
29 and earned an undergraduate degree from an Iowa college or
30 university, or attended and earned a medical degree from a
31 medical school in Iowa.

32 3. A psychiatry residency program fund is created in
33 the state treasury consisting of the moneys appropriated or
34 credited to the fund by law. Notwithstanding section 8.33,
35 moneys in the fund at the end of each fiscal year shall not

1 revert to any other fund but shall remain in the psychiatry
2 residency program fund for use in subsequent fiscal years.
3 Moneys in the fund are appropriated to the university of Iowa
4 hospitals and clinics to be used for the purposes of the
5 program. For fiscal years beginning on or after July 1, 2023,
6 there is appropriated from the general fund of the state to the
7 psychiatry residency program fund the following amounts to be
8 used for the purposes of the program:

9 a. For the fiscal year beginning July 1, 2023, one million
10 two hundred thousand dollars.

11 *b.* For the fiscal year beginning July 1, 2024, two million
12 four hundred thousand dollars.

13 *c.* For the fiscal year beginning July 1, 2025, three million
14 six hundred thousand dollars.

15 d. For the fiscal year beginning July 1, 2026, and each
16 fiscal year thereafter, four million eight hundred thousand
17 dollars.

EXPLANATION

19 The inclusion of this explanation does not constitute agreement with
20 the explanation's substance by the members of the general assembly.

21 This bill requires the university of Iowa hospitals and
22 clinics (UIHC) to administer a state-funded psychiatry
23 residency program in cooperation with the state mental health
24 institutes at Independence and Cherokee, the state resource
25 centers at Glenwood and Woodward, the state training school
26 at Eldora, and the Iowa medical and classification center
27 at Oakdale. The UIHC shall expand the psychiatry residency
28 program to provide additional residency positions in excess of
29 those approved under the federal residency cap. Participating
30 residents shall complete a portion of their psychiatry training
31 at one of the state institutions specified. However, if
32 accreditation-required clinical experiences are not available
33 at one of the state institutions, the program and residents may
34 utilize clinical rotations at the UIHC or its affiliates across
35 the state. The program shall award 12 residency positions

1 for each class of residents and preference in the awarding
2 of residency positions shall be given to candidates who are
3 residents of Iowa, attended and earned an undergraduate degree
4 from an Iowa college or university, or attended and earned a
5 medical degree from a medical school in Iowa.

6 The bill creates a psychiatry residency program fund in
7 the state treasury consisting of the moneys appropriated or
8 credited to the fund by law. Moneys in the fund at the end of
9 each fiscal year shall not revert but shall remain in the fund
10 for use in subsequent fiscal years. Moneys in the fund are
11 appropriated to the UIHC to be used for the purposes of the
12 program. The bill makes appropriations for the fiscal years
13 beginning July 1, 2023, and thereafter.
